About us

THE SHAKTI PLASTIC INDUSTRIES HAS BEEN LEADING THE WAY IN PLASTIC WASTE MANAGEMENT AND RECYCLING FOR OVER 5 DECADES.

Founded in 1969, we are a Mumbai-based company pioneering in plastic waste management and encompassing expertise in post-consumer and industrial waste management. We are one of the leading recyclers of polymer waste in India.

Under the able guidance of our founder, Mr. Vishwanath Podaar, we as a company have built a legacy over three generations. We are led by leaders who have shown relentless passion and responsibility towards building a sustainable and safe environment for future generations, as well as for Mother Earth.

Throughout our continued legacy we have gained an esteemed network of:

- ***4+ Recycling Facilities. (10+ Upcoming Plants)***
- ***200+ ULB (Urban Local Bodies) Tie-ups.***
- ***100+ Collection Centers.***
- ***15,000+ Rag Pickers (Safai-Sathis).***

They have contributed immensely towards our organization's goal Of creating a sustainable plastic waste management system.

Mission

- To deliver effective and eco-friendly **plastic waste management solutions** that meet the needs of our customers.
- To promote a **circular economy** and **reduce plastic waste** in the environment through sustainable and efficient solutions.
- To create value from plastic waste through **recycling and repurposing**
- To work closely with government bodies, municipalities, and industries to **formalize waste management in India**
- To increase **awareness and education** about plastic waste management among **communities and individuals**

Vision

- To become a **global leader** in plastic recycling and waste management
- To **create positive environmental impact** through sustainable products and solutions
- To transform millions of **tones of plastic waste into valuable resources**
- To **formalize and optimize** the Indian waste management system
- **Go global** by setting up plants in other countries to **scale up operations**
- **Work hand in hand** with government bodies.
- To implement fair and transparent pricing in waste management and become a leading **one-stop waste management specialist**.
