# Best collection & logistics system

- Door-to-door collection mechanism
- Extensive collection network across India
- Strong logistics for efficient collection and transport
- Proximity to clients for prompt service
- Advanced technology and resources for optimization
- Expanding network for global coverage

# Post-consumer waste collection network of 50 plus years

## PAN INDIA WIDE

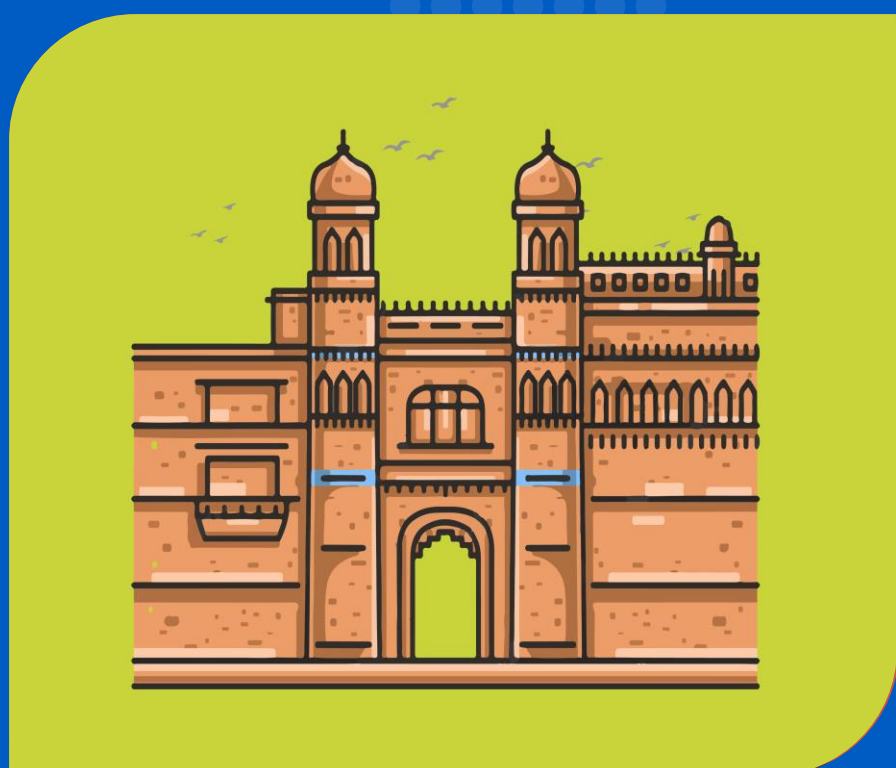

# Registered Plastic Waste Processing Facility (PWPF)

**Maharashtra**

**Gujarat**

**Madhya Pradesh**

**Dubai UAE**

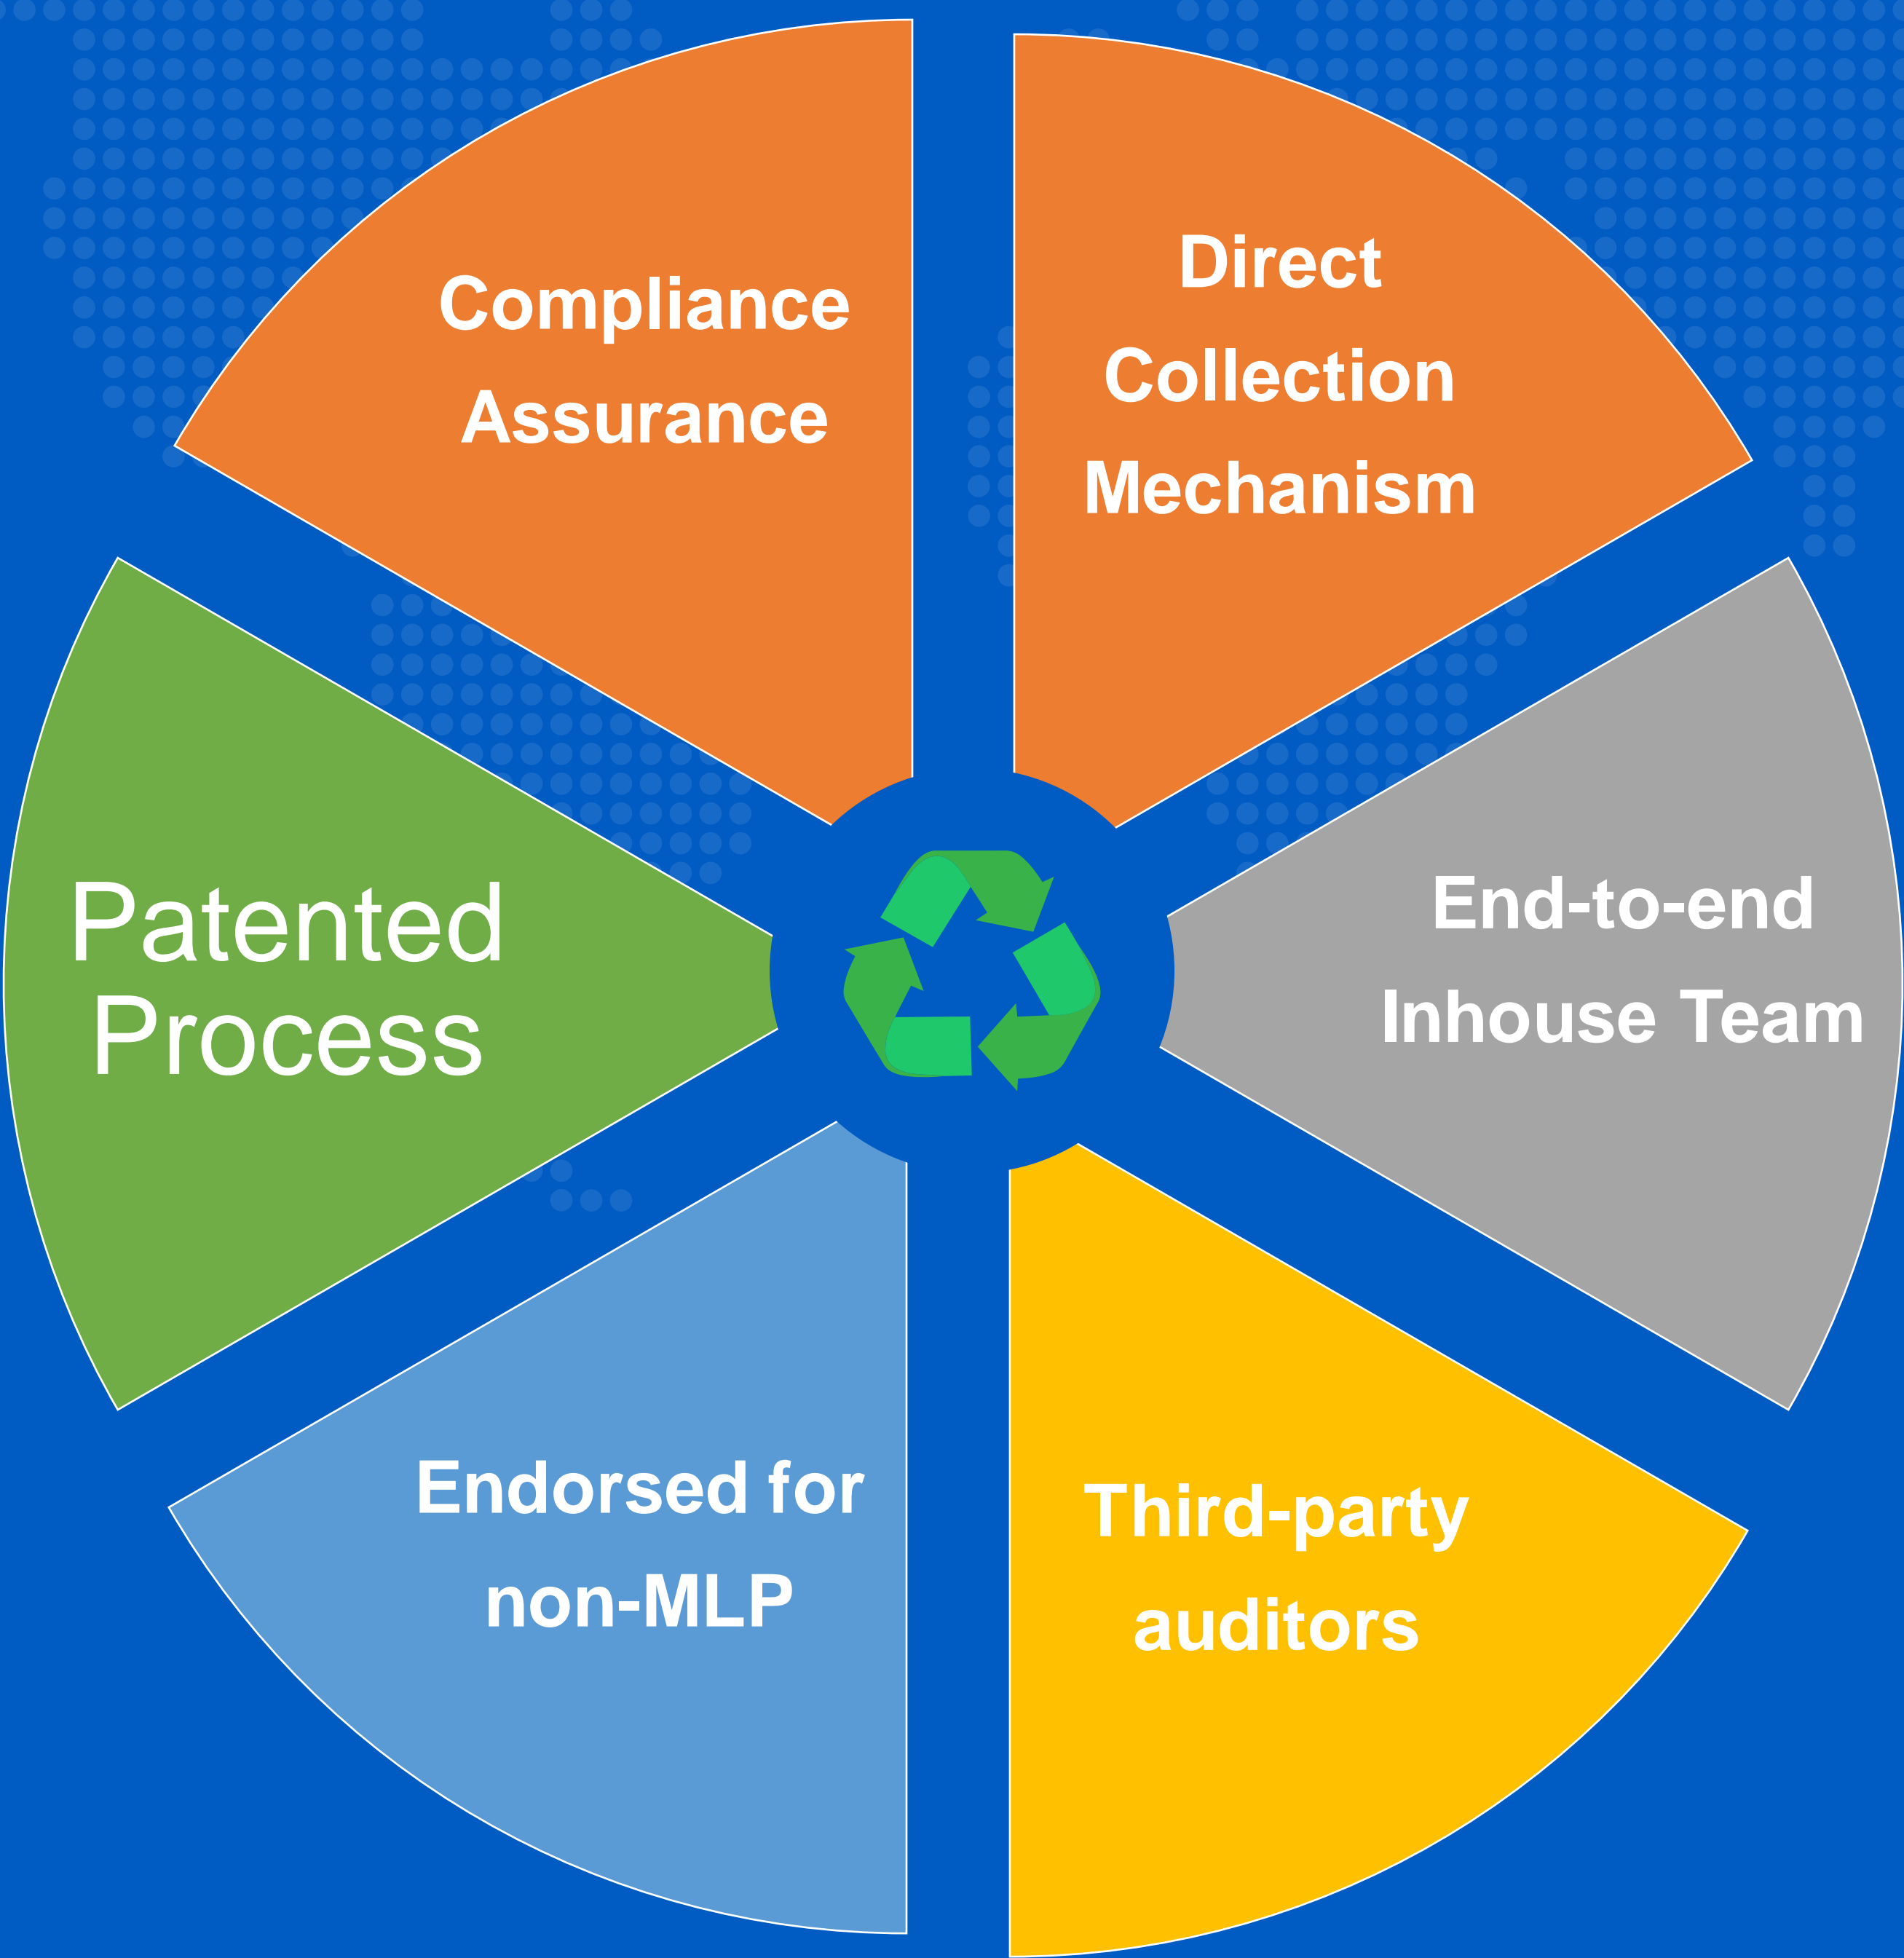

Upcoming Plants:  
Himachal, Delhi, Bangalore, Karnataka

# MLP Recycling (Patented)

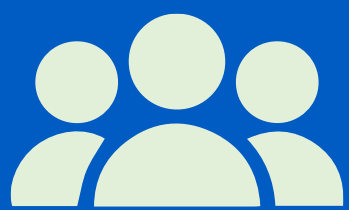

- We have patented technology to process difficult to recycled plastic waste Multilayer Plastic into Granules and further to sustainable products
- Also all plants are equipped with latest recycling technologies
- Able to process high level of contamination

# Unique Value Propositions

# Registration

Inhouse experience team for  
Registration

Successful registration of 250+  
brand owners

Comprehensive support in  
understanding the whole process

# Digital Portal

- EPR document accessibility at your fingertips
- All documents at one place
- Access documents anywhere, anytime
- Secure Encrypted Login

# Authenticity, Traceability & Transparency

- End-to-end traceability all the way from collection to disposal
- QR code embedded certificate avoiding duplicity and validation of documents

A Certificate of Disposal is issued to the brand containing a QR Code.

This QR Code can be scanned to get redirected to our Digital EPR Portal and get access to all the documents involved in the process to ensure **Transparency & Traceability**.

Scan this QR Code to get access to all the documents.

Traceability for Certificate #TSP100070
