

Import and Export

Eco green Recyclers FZC, a subsidiary of Shakti Plastic Industries, specializes in the import and export of plastic waste for sustainable recycling solutions.

- Market leader in reprocessing polymer waste
- Backed by 50 years of experience in waste management
- Strategic UAE location for import & export
- State-of-the-art facility and experienced team
- Creating circular economy and protecting environment
- Promoting sustainable practices in waste management.

Global Sourcing with Quality Assurance

- Purchase of materials from worldwide sources.
- Rigorous quality check process in place.
- Consistent sourcing of high-quality scrap.
- Adequate supply from multiple countries
- We sell these material in India and other countries.

Strategically Located in the UAE – Location Advantages

As we are based in free zone, importing & exporting of material from any corner of the world is hassle free. And the restrictions are also limited when compared to other countries.

- Convenient import location
- Access to transportation networks
- Proximity to major markets
- Skilled workforce and advanced technology
- Compliance with local regulations

Our Setup

We have state of art facility for making Agglo Machine, Pipe Grinders & Crusher.

----- Existing Capacity & Space -----

3600 MTPA
Processing Capacity

60,000 Sq. Ft.
Land Area

50,000 Sq. Ft.
Shed Area

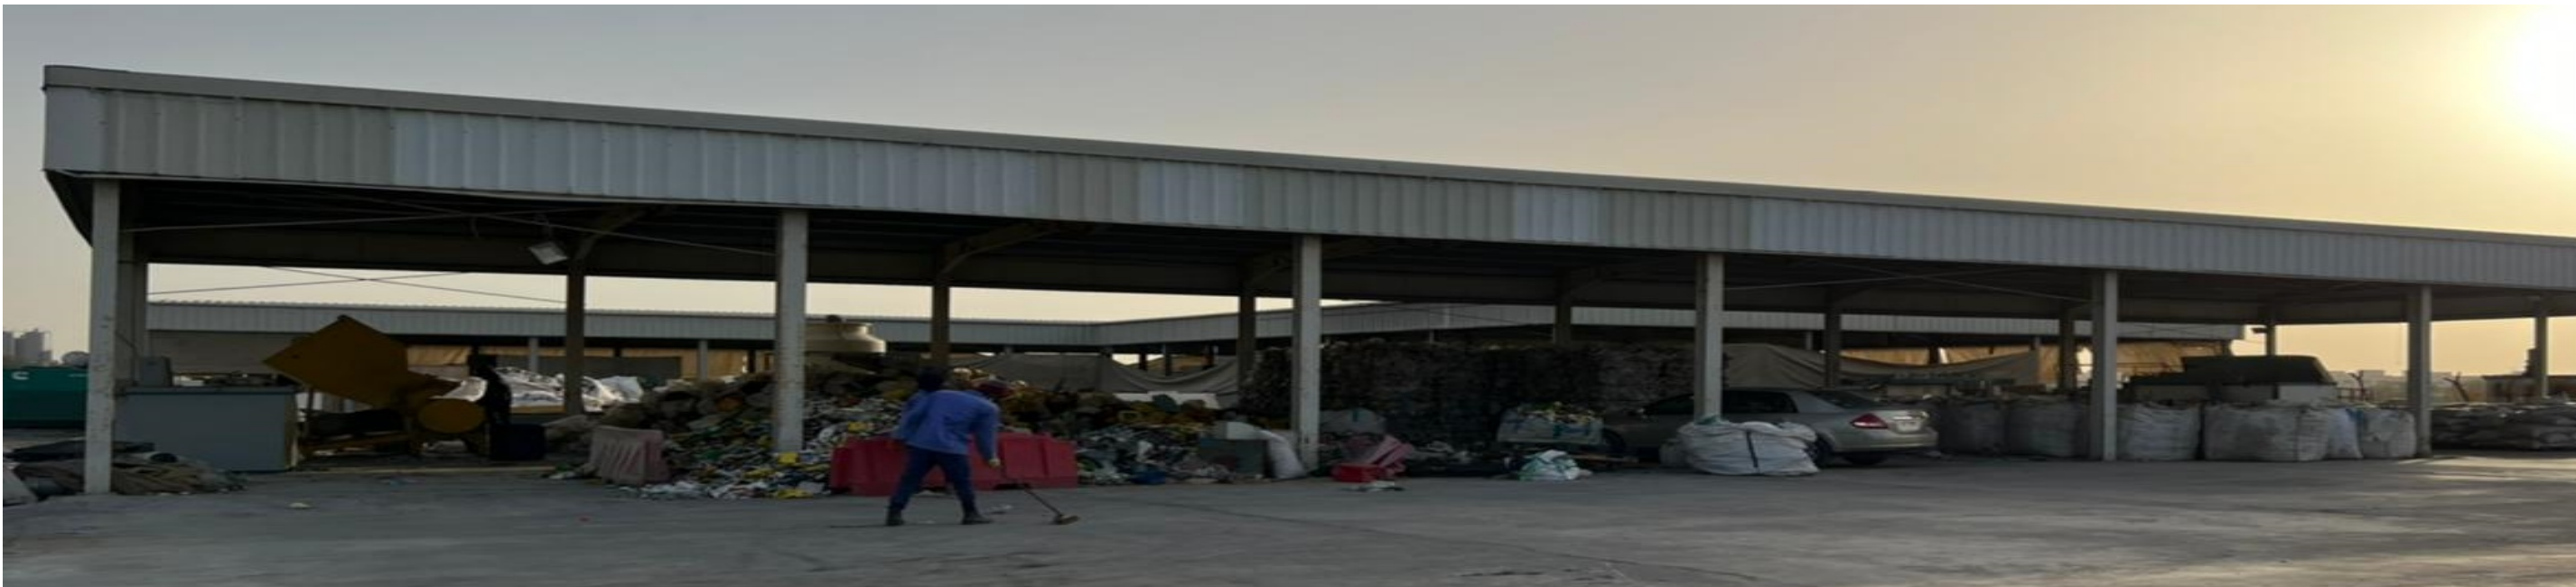

----- Installed Machineries -----

Grinder x 2
1 ton per hour each

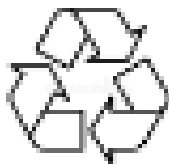

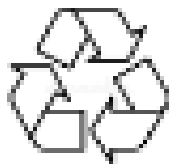

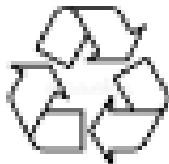

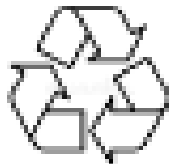

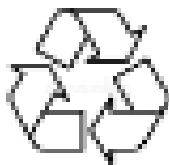

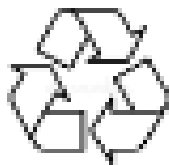

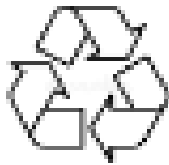

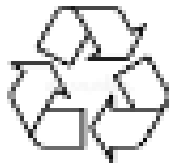

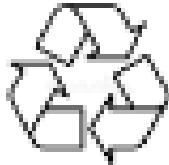

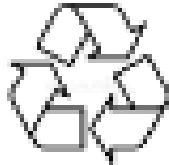

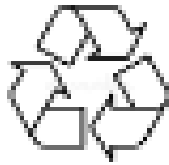

Agglomerator X 2
1 ton per hour each

Air Blower x 1
1 ton per hour

----- Actual Plant Photos -----

Grades & Types of Plastic

 LDPE Bales 98/2 & 99/1, Grade 1 material	 Paint buckets
 PP /HDPE/ LDPE Lumps	 ABS Battery cases
 P100/ P80/ P63 pipe grade material	 Washing machine
 Road divider root grade scrap	 Milk bottle
 HDPE Drums 200 ltrs to 50 ltrs blue/ black/ natural	 Crates
 BOPP Rolls - Printed/ Non Printed/ Milky	 Pallets
 PPCP Battery cases	

Few pictures of material that we import

Few of Output Material

Few applications

- Outdoor furniture (benches, chairs, tables, etc.)
- Landscaping and construction materials (decking, fencing, playground equipment)
- Floor tiles and mats
- Traffic cones, road barriers and speed humps
- Drainage pipes
- Clothing and textiles
- Automotive parts (bumpers, dashboard, gear knobs)
- Lumber for decking, boardwalks and retaining walls
- Bins, crates, and pallets.

Future Plans

- Installing washing line in the near future.
- Increasing current capacity.
- Expanding to new markets (Africa and Saudi Arabia).
